

NJR London Regional Event – Programme

Thursday 19 October 2017

Emmanuel Centre, 9-23 Marsham Street

London, SW1P 3DW

National Joint Registry

www.njrcentre.org.uk

Working for patients, driving forward quality

Improving Data Quality in the National Joint Registry

The day will provide a unique networking opportunity for all those engaged with the NJR and involved in assuring data quality and patient safety.

Learning outcome: By attending the event, delegates will take away skills to demonstrate the highest possible standards of clinical governance that all hospitals strive to achieve.
