

# Your hospital participates in MANDATORY DATA COLLECTION

for hip, knee, ankle, elbow and shoulder primary  
and revision joint replacement surgery

**ALWAYS** complete your  
National Joint Registry  
proforma before leaving  
theatre

## Where does the data go?

With your help, the NJR is **improving the patient experience of joint replacement**. The data is analysed and reported to patients, surgeons, hospitals, implant manufacturers, regulators and many other bodies.

**NJR compliance is also key to achieving Best Practice Tariff payments**

Data must be captured and submitted to the NJR for England, Wales and Northern Ireland. Please support your hospital and the NJR in achieving data completeness and data accuracy
